

Getting Started with Collaborate

Collaborate Roles

Blackboard has four different roles available to users in a Collaborate Ultra session. [Blackboard's Roles](#) page lists and briefly explains these roles.

Collaborate Tools Reference

Collaborate has a host of tools available within a session. Please view [Blackboard's Find Your Way Around](#) and [Blackboard's Use The Tools](#) pages for more information on all the tools available.

What's New in Blackboard Collaborate

Visit [Blackboard's What's New](#) page for updates and new features coming to Blackboard Collaborate.

How to Add a Profile Picture to Your Collaborate Session

Check out [Blackboard's Add a Profile Picture](#) page for directions on adding a picture in your Collaborate Session.

How to Set Up Your Audio and Video for Your Collaborate Session

[Blackboard's Audio and Video Set Up](#) has a walkthrough for setting up your audio and Video in a Collaborate Session.

How to Use Your Phone for Audio in a Collaborate Session

See [Blackboard's Call Into A Session](#) for instruction on using the telephony feature of Blackboard Collaborate.
