New Organization Web Site Application

Current Missouri State University faculty, staff, or students who are members of valid Missouri State organizations (student organizations must be recognized by the Office of Student Activities and university organizations must be approved by the University Organization Review Committee) may obtain directories on the Missouri State University central web server to create web pages for their organizations. These accounts may not be used for items of personal interest not related to the organization's role at the university.

Name: BearPass login:		
Name of Organization: President of Organization: Requested Web Address: http://organizations.missouristate.edu/ Example: The Wrestling Club uses the web address http://organizations.missouristate.edu/wrestling Initial Developers for Organization Web Site Please print. Name: BearPass login: Name: BearPass login: Name: BearPass login: Please Note: Additional web developers can be added to the directory. Please feel free to continue this liback side of this page.
