

How to Add a Course Item to a Semester Item

Follow these step-by-step instructions for adding a course item to a semester item in Web Press.

Step-by-step guide

1. Select the **Open MSU Semester Items** dot.
2. Select the **Edit list of course items** dot.
3. Select **Create and Connect Page**.

4. Select **OK** to finish.

Next step

Refer to our [how to edit a course item](#) article for instructions on inputting your desired course(s).
