

Collaborate for Students

Frequently Asked Questions

If you are experiencing issues with your Blackboard Collaborate session, visit [Blackboard's Participant FAQ](#) page for help.

How to Get Started in a Collaborate Session

To learn how to get started and navigate a Blackboard Collaborate Session, see [Blackboard's Participant](#) page.

How to Join a Collaborate Session

For instructions on joining a Collaborate session, please see [Blackboard's Collaborate](#) or [Blackboard Collaborate Ultra](#). You will need to confirm with your instructor on which version of Blackboard Collaborate they are using.

How to Participate in a Collaborate Session Using the Blackboard App

Check out [Blackboard's Collaborate in the Blackboard App](#) page for details on using Blackboard Collaborate Ultra in the Blackboard app.

How to be the Captioner in Your Collaborate Session

Go to [Blackboard's Live Closed Captioning video](#) for details on Live Closed Captioning in a Blackboard Collaborate Session.

How to Give a Student Presentation in Collaborate

You can find documentation for giving presentations in Blackboard Collaborate on [Blackboard's Share Content](#) page.
