

# Blackboard Collaborate Original

## Collaborate Original Documentation

- Both Collaborate Original and [Collaborate Ultra](#) are available in our Missouri State University Blackboard system, however [Collaborate Ultra](#) is the recommended version.
- Reference Blackboard's [Which Experience Should I Use](#) page to determine if Collaborate Original should be used in your course.

We suggest Collaborate Original be used only in these specific use cases:

- There are > 100 participants (including moderators, guest speakers, etc.).
