

# How to remove student(s) from the group.

1. In your BlackBoard course, go to "Groups" under "Users and Groups" in **Control Panel**

**Groups**

The **Groups** tool allows Instructors to organize Student communication and collaboration tools that only Group in sets. Groups can be designated as Self-Enroll, allowing the Instructor assign students to a Group. [More](#)

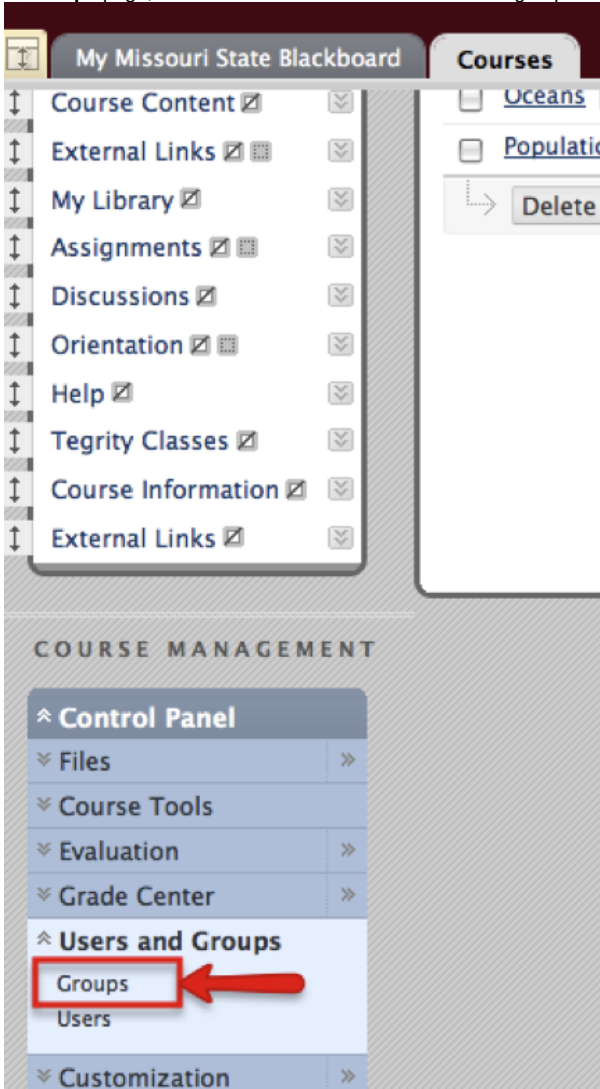

**Create Single Group** ▾ **Create Group Set** ▾

<input type="checkbox"/>	Name	GroupSet
<input checked="" type="checkbox"/>	Agriculture	Sustainability Groups
<input type="checkbox"/>	Biodiversity	roups
<input type="checkbox"/>	Freshwater	roups
<input type="checkbox"/>	Oceans	roups
<input type="checkbox"/>	Population	roups

Context menu for 'Agriculture':

- > Open
- > Edit
- > Email
- > Delete

2. In **Groups** page, click on the down arrow icon next to the group name, then select **Edit**

3. Scroll down to the **Membership** section, click on a student name in the right column to select a student whom you would like to remove from the group. Then, click on the left arrow icon to remove a student. Click **Submit** to confirm the change.
