How to Log in to My Missouri State

Step-by-step guide

1. Access the login page directly at https://my.missouristate.edu, or click on the Log In link at the top of the Missouri State homepage.

2. From the menu that appears, select My Missouri State. You will be directed to the log in page.

3. Type your BearPass Login and Password in the appropriate spaces and click Log in.

4. You will then be directed to the My Missouri State portal.
